Education

Bachelor of Arts in Graphic Design and Media Arts with a concentration in 3D Modeling from Southern New Hampshire University.

Professional Experience

My professional work includes a freelance position in which I followed design sheets to create a digital mockup of an existing outbuilding, a proposed addition to that structure, and the surrounding terrain and shrubbery.

Design Skills

As a graphic designer, I am skilled in layout design for print, digital, and web applications. The software that I have become experienced in include Adobe InDesign, Photoshop, and Illustrator.

Modeling Skills

As an environment artist, I am skilled in world building, asset modeling, sculpting, UV mapping, and texturing. The software that I have become experienced in include 3DS Max, Mudbox, Photoshop, Unreal Engine, and Sketchup.
